Brothers of Omega,

This year at our 61st District Meeting in Omaha, NE, we have a great opportunity to assist brothers in their aspirations to demonstrate the meaning and essence of what it means to be an Omega man by providing uplift to our undergraduate brothers who may lack business attire. When one look at the historical pictures/documents of the Founders, you will notice how they were depicted in shirt, tie, and jacket meaning when they step into a setting, they were ready to take care of business. At this district meeting, I want to launch an initiative called ***Eighth District Dress for Success Initiative***.

I am asking you to bring business suits, sport coats, neckties, and/or accessories like cuff links to ensure our undergraduates and other brothers who make lack the essentials for the District meeting will be properly attired. These clothes will be of great use as our undergraduate brothers go to job interviews, on campus meetings with administration, and other settings that require such apparel. Any clothes remaining will be donated to local charities and churches in the Omaha vicinity.

Another integral piece to the success of this initiative is the review of resumes. Brothers Rudy Boone (Chair, 8th District Scholarship Committee) and William Miller are experienced in Human Resources. They have made the commitment to assess resumes and offer insight on what employers are looking for in today's job market. Therefore, bring your resumes so we can help improve your chances on landing meaningful employment. I am looking forward to seeing you in Omaha.
